Davy has achieved many top performances racing with the M & D. Evans bloodlines that he obtained from his very good friend Jack Walker in the winter of 2004. Davy quotes "The youngsters from them raced better than I could have imagined, as in their first season they won for me 8 x 1st, 2 x 2nd, 2 x 3rd, 1 x 4th in my own club, Dollingstown HPS plus many Open & Section positions in the mighty NIPA with up to 25,000 birds competing. When you consider that I raced only 11 young birds in 2005 they did extremely well". The following season Davy won 1st Open N.I.P.A. 12,229 birds. The winner is a grandson from Myrtle Lofts "Jumping Jack Flash" x "Foxy Lady"
