people can study all they want in school, it doesn't mean they are right... remember that...

other side effects include nausea, hypotension, and dry mouth.

all this is done while you are sitting in the soothe of your home.

this mother's day, let's go beyond expressing gratitude to our moms, wives, sisters, girlfriends, and other women in our lives

don't care, not worth fighting for a lost cause, let everyone know fair haven is a "safe" haven
